Re: Scope designation EMCC Dr. Rasek

Gentlemen,

We have been notified by Federal Ministry of Economics and Technology that EMCC Dr. Rasek has been accredited as a Telecommunications Certification Body for scope

A1 - Low Power Transmitters below 1 GHz (except Spread Spectrum), Unintentional Radiators, EAS (Part 11) & Consumer ISM devices

At this time your organization is hereby designated to authorize equipment subject to Certification under the Commission's rules for this scope with the following exclusions:

No Exclusions

Technology for which no published test procedure is available is not eligible for TCB approval.

This designation will expire upon expiration of the accreditation or notification of withdrawal of designation for this scope.

The FCC TCB database may be accessed on the Internet at www.fcc.gov, E-Filing, TCB Electronic Filing, TCB Login. You may submit Certification applications by logging into this site.

Sincerely,

Kenneth R. Nichols, Chief
Laboratory Division
